

#whywouldntyou

cyclesafety
make it simple

**Take action to make
cycling safer**

**we are
cycling**
The cyclists' champion **UK**

Prompted by the government's cycle and pedestrian safety review, Cycling UK's new report Cycle safety: make it simple explains how to do this.

We need your support. Go to cyclinguk.org/cyclesafety before 1st June to see our proposals and add your backing for safer roads and more cycling.
