

CTC Cycling Volunteer Network Day

Come along, get involved, make a difference...

9.30am - Saturday 15th March, Plymouth Guildhall

Are you campaigning for cycling in the South West and want to find out how to translate your ideas into reality?

Key themes to be covered and benefits of attending

The conference will feature a range of local authority figures and cycle experts, case studies, workshops and panel discussions

- Hear a national perspective on cycle campaigning
- Exchange local perspectives on opportunities to promote cycling and how local authorities are responding to them
- Discuss off-road access in the South West, with a view to building a regional network of off-road campaigners for off-road cycle access.
- Explore ways in which safety can be improved
- Understand how you can build networks to engage local authorities
- Learn from successful case studies
