PRIZE DRAW WIN!

A PUKY CRUSADER 20-3 CHILD'S BIKE WORTH £245

'Puky offer what's perhaps the ultimate street/touring/ride-to-school bike for younger children: the Crusader 20-3. It uses a 3-speed hub gear with a coaster brake and it's equipped with everything: mudguards, a carrier rack, even dynamo lighting. It's not cheap at £245 but isn't overpriced if your child will be doing a lot of utility cycling.' That's what we say about the Puky Crusader 20-3 in our new book, *The CTC Guide to Family Cycling* (see page 40).

Thanks to Amba Marketing, Puky's UK distributor, we've got one Puky Crusader 20-3 to give away. It's a cracking bike that's suited for children aged roughly six to nine or from 120cm tall. Despite its accessories it's lighter than many children's bikes because it uses aluminium tubing and avoids cheap and nasty suspension. Growing room is excellent, thanks in part to the low stand-over height, and it's durable enough to be handed down to siblings several times.

Puky also offer a version of Crusader 20-3 with a step-through frame – the Skyride – and a new 24-inch wheel model called the Soulride, with 3 (£300) or 7 (£340) gears. Younger cyclists have lots of properly made bicycles to suit them in the Puky range, and there's a host of tricycles, push-alongs and learner bikes too. The Puky Learner Bike Original gets a thumbs up in *The CTC Guide to Family Cycling*, as does the Whoosh push-along and the scooter range.

For more information about Puky children's bicycles, tricycles and push-alongs, see www.amba-marketing.com or call 01392 829903 to find your nearest Puky dealer.

All cheques should be made payable to 'CTC York Cycle Show'. The fee is for up to three nights camping (20th, 21st, and 22nd June 2008) including shower use. I agree to comply with the organisers' instructions and not to hold them responsible for damage to persons or property. I also agree to comply with the requirements of the Campers Code (copies available from the Camp HQ at the Show or in advance from the CTC HQ), especially the need to be quiet after 11pm each night. The organisers retain the right to instruct those who fail to comply to leave the campsite so as not to cause an unacceptable disturbance to other campers.
