## Win two return trips with European Bike Express

**THE MOST** relaxing way to travel into Europe, European Bike Express is a luxury coach-and-trailer service that takes cyclists and bikes to destinations across France and into Spain. There's no baggage handler lottery; bikes are carried fully-assembled in custom trailers. You can take any cycle – even tandems or trikes.

You can create your own itinerary from 25 Continental drop-off and pick-up points, starting and ending your tour in different places if you wish. CTC members already get a £10 discount on fares, but thanks to European Bike Express we've got two return trips – worth up to £268 each – to give away.

All EBE coaches have: seat-belted seats that recline 45 degrees and have leg support; extra leg room; air conditioning; no smoking; table seats for dining; toilet facilities; headphones and screens for watching films or listening to music; Wi-Fi; a courier and hostess service; even cooking facilities.

The ease of travel is probably why there are so many repeat bookings by CTC members. In fact, EBE was set up in cooperation with CTC in 1993.
