## CYCLING UK CYCLECOVER TRAVEL INSURANCE

**IF YOU'RE TAKING** a cycling holiday in 2016 or looking ahead to next year, we believe that travel insurance should be a vital part of your planning to protect against unexpected illness or injury, loss or damage to your possessions, or delays to your travel. Some 'off the shelf' travel insurance may not cover the things you need as a cyclist abroad. Many discount travel insurance providers may consider cycle touring to be a hazardous activity and could

charge a higher premium, or not cover it at all. And even if they do provide cover, your bike may not be appropriately insured.

Cycling UK Cyclecover Travel Insurance provides exclusive policies specifically designed with cyclists in mind. We offer high levels of cover designed to suit your needs, including:

- Bicycle cover up to £3,000.
- Replacement bicycle hire, roadside recovery, onward transportation, and cycle event fees.

- Repatriation for you and your cycle, trip cancellation, medical emergencies, personal baggage (including cycle accessories) and more.
- Cycling UK Cyclecover Travel Insurance is supplied by Citybond Suretravel. To find out more and to get a quote, visit [cyclinguk.org/travel-insurance/](http://cyclinguk.org/travel-insurance/)

## RIDE WITH PEACE OF MIND

- You're covered by the most comprehensive £10m third-party cycling insurance, which unlike others includes member-against-member claims.
- Cycling UK's Incident Line (provided by Slater + Gordon Lawyers) is there for you in the event of an accident. Unlike other personal injury lawyers, members will receive 100% of their claim. Cycling UK's Incident Line has won £45m in compensation for our members since 2002.

## CYCLING UK BENEFITS INCLUDE
