- Cycling UK's Incident Line (provided by Slater + Gordon Lawyers) is there for you in the event of an accident. Unlike other personal injury lawyers, members will receive 100% of their claim. Cycling UK's Incident Line has won £45m in compensation for our members since 2002.

15% DISCOUNT ON BIKEREGISTER MARKING KITS

BIKEREGISTER IS the UK's national cycle database and the leading online bicycle identification and registration initiative. It aims to reduce cycle theft, identify stolen bikes, and assist in owner recovery.

Bike security is a serious concern for cyclists and anyone who's thinking of

taking up cycling. Thousands of bikes are stolen every year as thieves believe that bicycle theft is a low-risk, high-reward crime. Registering on BikeRegister is a good first step in the fight against bike theft, and increases the chances of you being reunited with your bike in the event of it being stolen.

To reduce the chances of becoming a victim of cycle theft in the first place, we recommend marking your bike with a BikeRegister security marking kit. BikeRegister is used by every UK police force and is the preferred bike marking system of the Metropolitan Police Service and British Transport Police.

BikeRegister offers a range of three different marking kits, and as a Cycling UK member you can receive 15% off all BikeRegister products. For more information, and the discount code, visit cyclinguk.org/member-benefits.
